

Safeblend Heavy Duty Cleaner and Degreaser is strong enough to use on the toughest cleaning jobs. Its solvent-free formula will clean all washable surfaces including floors, walls, wood, ceramic, linoleum, metals, concrete, plastics, vinyl, porcelain, glass, garbage areas, countertops, bathroom and kitchen tiles, sinks and toilets. It is effective in removing grease, oil, inks, and most industrial soils.

DIRECTIONS FOR USE: FOR BEST RESULTS, please dilute using the recommended concentrations. To make mixing easier we have included a pump and a spray bottle in each case. One pump dispenses 30 ml of cleaner.

Light Duty Cleaning: 1: 64, 15 ml or 1/2 pump per litre.
Medium Duty Cleaning: 1: 32, 30 ml or 1 pump per litre.
Heavy Duty Cleaning: 1:16, 60 ml or 2 pumps per litre

Spray Bottle: Apply cleaner onto soiled surfaces using recommended dilutions and wipe away. For hard to remove stains allow for longer contact time before wiping.

General Floor Cleaning: Using 1:64, 60 ml or 2 pumps per 4 litres, add cleaner into your mop bucket or auto-scrubber.

PHYSICAL PROPRIETIES:	
Boiling Point:	100°C
Specific Gravity:	(H2O = 1): 1.013 at 20°C
% Volatile:	(% p/p): 0
Solubility in Water:	Complete
pH (as supplied):	11.0 - 11.4
Physical State:	Liquid
Viscosity:	< 1000 cps at 25°C
Appearance and Odour: Green Transparent Liquid, Fragrance free	

WHMIS Class: D2B	CFIA Registered
TOXICITY: Non-toxic to humans and animals (LD50>10 000MG/KG, LC50>20MG/L). Non-toxic to aquatic life using recommended dilutions (LC50>=100MG/L).	

Certified EcoLogo Environmental Choice Program
